* The six month free trial membership program is available to individuals who are becoming a member for the first time. Individuals who were previously a member of MSPE or another state society of NSPE, who are transferring their current membership from another state society or who are located outside of the United States are not eligible for the six month free trial membership program.

* If you are not eligible to join under the six month free trial program but otherwise qualify for membership, simply complete this application and include the appropriate amount of dues as noted above next to the corresponding membership category.

* A person who meets the requirements for Licensed Member or Member but who resides outside of the United States, its territories, possessions or districts, may join as an At-Large member of NSPE. Visit www.nspe.org to learn more.

The dues amounts shown cover national, state and chapter dues for one year. Membership rates and requirements are subject to change. Contributions (or gifts), dues and fees to NSPE or MSPE are not tax deductible as charitable contributions for federal income tax purposes. However, they may be tax deductible as ordinary and business expenses. A portion of national and state society dues is not deductible to the extent that NSPE and MSPE engage in lobbying.

I hereby certify that the information herein is complete and accurate. I further certify that I will abide by the requirements of the NSPE Code of Ethics. I also pledge to support the constitution, bylaws and board policies (as they are now and as they may be amended) of the Minnesota Society of Professional Engineers and the National Society of Professional Engineers.
