Share Your Company News with MnSPE Members and Others in the Engineering Community

- Send your company press releases to MnSPE for inclusion in our newsletter and posting online
 - This is a new feature in our electronic newsletter, *The PEN*, as of November 2011
 - This information is also posted on the MnSPE Web site and will soon be added to the MnSPE home page. [See what is currently posted.](#)
 - Send your press releases to [Mary](#) and [Katie](#)

MnSPE Logos and Slogans Share Who We Are, What We Do

- Available to [download via the MnSPE Web site](#)
- Sustaining firms are encouraged to add these logos and slogans to your company web sites, letterhead, welcome signage in office reception areas, employee email signatures, business cards and more
- These support the vision and mission of MnSPE and show your support for Minnesota’s engineering community

MnSPE Vision: *MnSPE is the voice of licensed Professional Engineers in Minnesota.*

MnSPE Mission: *MnSPE protects and promotes the value of the PE license by providing resources and value to members and the community through education, outreach and advocacy.*

Marketing of Your Company and of Your Support for MnSPE as a Sustaining Firm

- New banner to display logos of all sustaining firms will be displayed at all MnSPE events starting in early 2012
- Listing on MnSPE Web site, including a company description, contact information and a link to your Web site
 - [View our current sustaining firm listings](#)
- Inclusion of your company logo in the rotating sponsor box on [MnSPE’s home page](#)
- Listing as a sustaining firm in the sidebar of MnSPE’s e-newsletter *The PEN*, with a link to your company’s Web site: [See past issues as examples.](#)
- Recognition as a sustaining firm at the Engineers Week banquet, attended by about 250 engineers, clients, project partners and guests
- Recognition as a supporter of food provided to about 500 examinees each year at the PE exam every spring and fall
- Perpetual wall plaque, updated annually

Your participation also supports **individual benefits for your employee members**, such as:

- FREE continuing education via MnSPE seminars – about 25 hours offered per year
- Supporting local MnSPE chapters, providing education and networking opportunities for members throughout the state
- Leadership development opportunities through chapter and committee participation and the Engineers Leadership Institute

Your participation **supports the community** by:

- Supporting PE examinees by providing food during the exam
- Providing food and materials for MnSPE student chapter meetings at campuses around Minnesota
- Supporting outreach activities like MATHCOUNTS, Future City Competition, Minnesota Science Olympiad and others
- Providing a voice for licensed PEs with the Minnesota legislature and state agencies
